SOUTHERN CALIFORNIA MEMBERSHIP

RETENTION RATES

93% remain with KP
more than **1 year**.

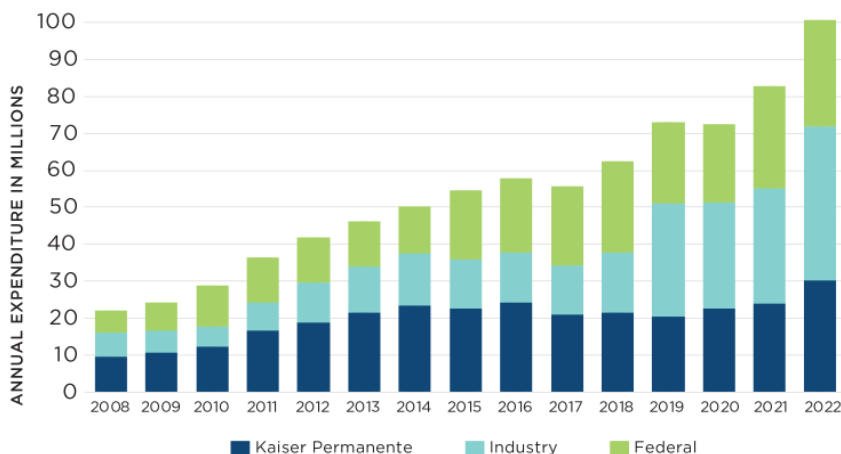

82% remain with
KP after **3 years**.

73% remain with
KP after **5 years**.

FUNDING OVERVIEW

Funding for research at Kaiser Permanente Southern California has increased rapidly over the past 15 years.

Total research expenditures

Total in 2021: **\$101 million**

Federal grants: **\$32 million**

Industry contracts: **\$46 million**

Kaiser Permanente provided the remaining funds. (Internal sources include the Kaiser Permanente Community Health program, the Southern

California Permanente Medical Group, the Garfield Memorial Fund, and the Center for Effectiveness & Safety Research.)
